BYU-Idaho is a Title IV University accredited by Northwest Commission on Colleges and Universities (NWCCU)-<https://www.nwccu.org/>. NWCCU is recognized by the U.S. Department of Education as the authority on the educational quality and institutional effectiveness of higher education institutions in the Northwest region of the United States. BYU-Idaho is a private institution and therefore does not base tuition on residency status. Tuition is based on a number of credits a student takes and on the student's membership or non-membership in the Church of Jesus Christ of Latter-day Saints.
